## ARTICLE EIGHT: PROVISIONS FACILITATING UNIVERSITY RESEARCH

**Section 8.1. Research.** The Parties agree that the University may seek information from the Grantee and the Charter School for purposes of research. Prior to conducting such research, the University shall seek the Grantee's prior written approval, which will not be unreasonably withheld. Information relevant to such research shall include, but not be limited to, the following:

**(1) Surveys.** The University may survey individuals and groups (including but not limited to, parents, students, teachers, board members, others involved in the governance of the Charter School, and the public) concerning the performance of the Charter School, provided that such surveying (i) shall be done at the University's sole expense and (ii) shall not materially interfere with the orderly and efficient operation of the Charter School. The Grantee agrees to cooperate with the University's efforts to conduct such surveys. Employment contracts with teachers employed at the Charter School shall specify that they shall cooperate with such surveys.

**(2) Pupil Testing.** The University may seek to administer to each pupil of the Charter School (other than kindergarten pupils), in connection with the pupil's first enrolling in the Charter School, a one-time examination designated by the University. Such examination shall be administered at the University's sole expense and shall not materially interfere with the orderly and efficient operation of the Charter School. The results of any such examination shall be promptly shared with the Grantee.

**(3) Parent/Guardian Evaluation Participation.** The University may ask the parent and/or legal guardian of a pupil enrolled in the Charter School to participate in an evaluation or research, which may include their participation in an interview or responding to a questionnaire, about the performance of the Charter School. The Grantee shall use its good offices to urge that the parent and/or legal guardian to participate in such evaluation or research process, subject to their consent.

**(4) Research Observers.** The Grantee agrees to accept on the Charter School's premises research observers designated by the University to serve as observers of the activities of the Charter School, provided that the activities of such research observers shall not interfere with the orderly and efficient conduct of education and business at the Charter School. Costs and expenses incurred for the evaluation activities of such observers shall be reimbursed to the University as part of the reimbursement owing under Section 4.6 of this Contract.
