School of Education Admission Application

The Post Baccalaureate Teacher Certification Program in Early Childhood Education (ECE) is available for those who already have a bachelor’s degree and are interested in teaching young children from birth to age 8 (through third grade) in a variety of early care/education and school programs. The program provides real-world experiences in a cross-section of sites where future employment opportunities exist, including public, charter, and Milwaukee Choice schools; Head Start; and preschools and other community-based educational settings. When you satisfactorily complete the program requirements, you will be highly-qualified to teach in early childhood settings. Additionally you can elect to attain add-on certification in English as a Second Language (ESL) or Bilingual Education. In doing so, you will be prepared to teach culturally and linguistically diverse children.

Applying to the Post Baccalaureate Teacher Certification Program requires a number of forms and some advance planning on your part. Our goal is to make the process as clear and as concise as possible. Everything you need to apply is right here at your finger tips. Following these simple steps will ensure a smooth application process.

Step One

Review the admission criteria to ensure you have met the minimum admission requirements. The following requirements must be met before applying to the program. If you do not meet the admission criteria, your application will not be reviewed.

- **Bachelor’s Degree:** You must have a bachelor’s degree from an accredited college or university.
- **GPA Requirement:** You must have a minimum cumulative grade point average of 2.5 on all coursework completed for undergraduate credit.
- **Pre-Professional Skills Requirement:** Passing scores on a pre-professional skills test are required for admission to the School of Education. You can fulfill this requirement with one of the following tests: PRAXIS I, CORE, ACT, SAT or GRE. See page 12 of this packet for additional information.
Step Two

**Have your transcript(s) evaluated.** A transcript evaluation will help you determine which course work will be needed to become certified. The program director will review your previous coursework and determine which courses will meet program requirements for certification. Evaluations must be completed before applying for admission to the program and could take up to four (4) weeks to complete. Transcript evaluations may be requested at any time by completing the *Request for Transcript Evaluation* found here: [http://uwm.edu/education/academics/ci-request-transcript-evaluation/](http://uwm.edu/education/academics/ci-request-transcript-evaluation/)

Step Three

**Determine your status for your first semester.** As an applicant to the Post Baccalaureate Teaching Certification program you have two choices:

**Choice A: Teaching Certification Only**

With this option, you complete the course work necessary to obtain your teaching certification only. If you are pursuing this option, you need to apply online for admission to UWM as a post baccalaureate student. The online application is required even if you have applied or attended UWM previously as an undergraduate, graduate, or University Special Student. Your application will be considered incomplete if you do not apply online.

**Instructions for applying online:**

**Step 1** – Go to [https://apply.wisconsin.edu](https://apply.wisconsin.edu), apply to UW-Milwaukee and fill out the necessary information.

**Step 2** – When you arrive at the “Post Secondary Education:” question, select “Undergraduate Degree”.

<table>
<thead>
<tr>
<th>Post-Secondary Education:</th>
</tr>
</thead>
<tbody>
<tr>
<td>☐ No college courses</td>
</tr>
<tr>
<td>☐ Some college courses [taken or will take before enrollment - do not include Advanced Placement (AP) Program courses]</td>
</tr>
<tr>
<td>☑ Undergraduate degree (4-year bachelor) (have or will have before enrollment)</td>
</tr>
<tr>
<td>☐ Graduate degree (Master, Doctoral, Specialist, Professional)</td>
</tr>
</tbody>
</table>

[Next >>]
Step 3 – The next question will ask for “Reason for Applying”. Select “Major, minor, or certification at the undergraduate level”.

Step 4 – The next question will ask “Applying as”. Here you will select “Post-Baccalaureate Teacher Certification”.

Step 5 – The next question will ask you to “select your intended major or field of study”. Scroll down and select “Education [SOE] * Major” under “Education-Related Studies”.

---

**Reason for Applying:**
- Additional undergraduate degree
- Major, minor, or certification at the undergraduate level
- UW Flexible Option - undergraduate degree or certificate
- Undergraduate courses as visitor/guest student
- Graduate degree (Master, Doctoral)
- Graduate Non-Degree (graduate courses taken as visitor, guest, certificate, certification or personal/professional enrichment)

**Applying As:**
- Post-Baccalaureate Teacher Certification
- Certification Program (non-teaching)
- Additional major
- Additional minor
- Reentry with Interim Work
- Reentry without Interim Work

**Education-Related Studies**
- American Sign Language Studies (second degree) [SOE] * Field of Study
- Art Education [SA] * Major
- Autism Spectrum [SOE] * Certificate
- Child and Family Services [SOE] * Field of Study
- Child Care [SOE] * Field of Study
- Community Engagement and Education [SOE] * Major
- Community Leadership [SOE] * Field of Study
- Community-Based Organizations [SOE] * Field of Study
- Education [SOE] * Major
- Educational Studies [SOE] * Major
- Exceptional Education [SOE] * Major
- Music Education [SA] * Major
- Sign Language [SOE] * Field of Study
- Special Education [SOE] * Major
- Special Education, Early Adolescence - Adolescence [SOE] * Field of Study
- Special Education, Middle Childhood-Early Adolescence [SOE] * Field of Study
- Teaching [SOE] * Major
Step 6 – Next you will need to select a “Program [School/College] * Program Type”. Under “Interdisciplinary Studies” select “Education - Teaching [SOE] * Field of Study”.

Step 7 – Follow the remaining steps of the application.

Please note that there is no application fee for this type of application. Please ignore the payment page and DO NOT MAKE A PAYMENT.

Choice B: Teaching Certification and Graduate Degree
With this option, you complete the course work necessary to obtain teaching certification and a graduate degree. Before each semester, you should meet with your faculty advisor to decide if you will take your courses as a post baccalaureate student (with undergraduate status and tuition) or a graduate student (with graduate status and tuition). If you plan to pursue a teaching certification in conjunction with a graduate degree, you must also submit an application for admission to UWM’s Graduate School. Visit https://graduateschool-apply.uwm.edu/ for information about the application process. If you plan to apply to UWM’s Graduate School, you will need two sets of official transcripts: one for the Post-Baccalaureate Program and another for the Graduate School.
Step Four

Review the application checklist (below) and gather all of the listed materials. Make sure all forms are filled in completely. DO NOT SUBMIT AN APPLICATION UNLESS ALL ITEMS ARE INCLUDED. Incomplete applications will not be processed.

Application Checklist

- Online UW-System application for admission to UWM at https://apply.wisconsin.edu (step 3)
- School of Education Post Baccalaureate Admission Application (page 10)
- Official transcripts from all institutions of higher education, technical colleges, schools, and programs - see instructions below
- Official Pre-Professional Skills Requirement Scores (Not required if already licensed)
- Transcript Evaluation
- Statement of Purpose - see instructions below
- Resume – see instructions below
- Copy of Wisconsin or Out-of-State Education License(s), if applicable

Please keep a copy of all documents for your records. Documents will not be returned to you.

Statement of Purpose

Write an essay responding to the questions listed below. Be sure to answer both questions. We are looking for your ability to be self-reflective and be thorough in your answers. This is an opportunity for you to tell us about the knowledge, skills, and dispositions (values and beliefs) you bring with you at this time. Your essays will be scored based upon both content and the use of language conventions appropriate to academic writing. Please use Microsoft Word and submit to us no more than two (2) double-spaced pages. There is no specified format for the essay other than to address the points listed below and present your answer in a professional format.

1. Why are you seeking teacher certification in Early Childhood Education? If you are also seeking certification in English as a Second Language and/or Bilingual Education, please indicate why.
2. What personal attributes, strengths, and abilities do you have to offer young children and families?
Official Transcripts
You should request official transcripts from all institutions of higher education, technical colleges, schools, and programs except UWM. If you attended UWM, you may submit unofficial transcripts.

Do not send transcripts directly to UWM. Transcripts should be sent directly to you but should not be opened upon receipt. Include the unopened envelopes with the other application materials. Unfortunately, we cannot accept photocopies of transcripts or transcripts not in a sealed envelope. If you attended UWM and transfer work from another institution is reflected on your UWM transcript, you only need to submit a UWM transcript.

Assessment Requirements
Throughout the program there are several assessments required by the Department of Public Instruction. These requirements are designed to assess your readiness for teaching.

Pre-Professional Skills Requirement
All applicants are required to take and pass a pre-professional skills test prior to applying for admission to the program. You can fulfill this requirement with one of the following tests: PRAXIS I, CORE, ACT, SAT or GRE. During registration for your test, you should identify UWM to receive your scores. However, you should also include a copy with your application materials. See page 12 of this packet for additional information.

Praxis Subject Assessment Test
The Praxis Subject Assessment test measures subject-specific content knowledge, as well as general and subject-specific teaching skills, that you need for beginning teaching. Students are required to take and pass the Praxis Subject Assessment prior to applying for a student teaching placement. Details about when to take the Praxis Subject Assessment will be provided once you are admitted to the program.

Wisconsin Foundations of Reading Test
The Wisconsin Foundations of Reading test assesses proficiency in and depth of understanding of the subject of reading and writing development. Students are required to take and pass the reading test prior to applying for a student teaching placement.

Teacher Performance Assessment (edTPA)
The edTPA is a review of your teaching materials at the culmination of your program. Materials that document and demonstrate your ability to effectively teach are submitted to an independent reviewer. Students are required to complete the edTPA in order to be licensed as an Early Childhood educator.
Resume

Your resume should not exceed two pages and should include educational background, work experience, special talents/skills, and other relevant experience with children. Information about resume writing can be found at: [http://uwm.edu/careerplan/resumes-interviews-2/resumes/](http://uwm.edu/careerplan/resumes-interviews-2/resumes/)

Field Experience and Student Teaching

Students will be required to complete three pre-student teaching field placements for a total of 7 credits. There is one field experience in each full-time semester of the program. The student teaching experience, during the final semester, will require a full 20 week placement in one school and can (if necessary) accommodate the required ESL and/or Bilingual experience for those interested in pursuing either or both. Students will be placed in the Brown Deer, Milwaukee, West Allis/West Milwaukee school districts or at surrounding community agencies. All students will be required to have a negative TB test and pass a Criminal Background Check prior to being placed in a classroom.

<table>
<thead>

</tr>
<tr>
<td>CURRINS 640</td>
<td>Student Teaching in Early Childhood/Bilingual/ESL</td>
<td>12 cr</td>
<td>5 days per week in the classroom 20 weeks</td>
</tr>
</tbody>
</table>

You will be required to complete student teaching during the last semester of your program. Student teaching placements are not automatic. Students must apply for student teaching, be approved, and register for a student teaching course, in order to student teach. Information about application deadlines and application materials can be found at:

[http://uwm.edu/education/academics/clinical-experiences/](http://uwm.edu/education/academics/clinical-experiences/)

(Follow the link to obtain the Student Teaching Application form)

It is important that you review this information to determine when you should apply for student teaching. If you have any questions about the timing of your student teaching, contact the academic advisor for your program.
Step Five

Submit your application materials by April 30th for summer admission, by July 15th for fall admission and by December 15th for spring admission to:

University of Wisconsin – Milwaukee
School of Education
Attn: Undergraduate Admissions Manager
PO Box 413
Milwaukee, WI  53201-0413

A letter, indicating the status of your application, will be mailed prior to the start of the semester. The letter will be sent to the address indicated on your application. Please do not call or e-mail asking about the status of your application.

Assistance with your Application

Web Site

Our web site is a wealth of information for frequently asked questions and other resources that may be useful:  http://uwm.edu/education/academics/curriculum-instruction-department/

Academic Advising

We strongly recommend an appointment with an advisor prior to application to the program if possible. The advisors for the program are Andrea Azarian (last names beginning A-L) and Nikki Claas (last names beginning M-Z). To schedule an appointment, please call (414) 229-4721.

For questions about the admission application please contact the Undergraduate Admissions Manager:

The InTASC Model Core Teaching Standards (April 2011)

At A Glance

The Learner and Learning

Standard #1: Learner Development
The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

Standard #2: Learning Differences
The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

Standard #3: Learning Environments
The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self motivation.

Content Knowledge

Standard #4: Content Knowledge
The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content.

Standard #5: Application of Content
The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.
Instructional Practice

Standard #6: Assessment
The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher’s and learner’s decision making.

Standard #7: Planning for Instruction
The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

Standard #8: Instructional strategies
The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

Professional Responsibility

Standard #9: Professional Learning and Ethical Practice
The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

Standard #10: Leadership and Collaboration
The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other student professionals, and community members to ensure learner growth, and to advance the profession.
