School of Education Admission Application

Applying to the Post Baccalaureate Teacher Certification Program requires a number of forms and some advance planning on your part. Our goal is to make the process as clear and as concise as possible. Everything you need to apply is right here at your finger tips. Following these simple steps will ensure a smooth application process.

Step One

Review the admission criteria to ensure you have met the minimum admission requirements. The following requirements must be met before applying to the program. If you do not meet the admission criteria, you should not submit an application.

- Bachelor’s Degree: You must have a bachelor’s degree from an accredited college or university.
- GPA Requirement: You must have a minimum cumulative grade point average of 2.5 on all coursework completed for undergraduate credit. In addition, a minimum cumulative grade point average of 2.75 is required in any English courses.
- Pre-Professional Skills Requirement: Passing scores on a pre-professional skills test are required for admission to the School of Education. You can fulfill this requirement with one of the following tests: PRAXIS I, CORE, ACT, SAT or GRE. See page 10 of this packet additional information.

Step Two

Have your transcript(s) evaluated. A transcript evaluation will help you determine which course work will be needed to become certified. The program director will review your previous coursework and determine which courses will meet program requirements for certification. Evaluations must be completed before applying for admission to the program and could take up to four (4) weeks to complete. Transcript evaluations may be requested at any time by completing the Request for Transcript Evaluation found here: [http://uwm.edu/education/academics/ci-request-transcript-evaluation/](http://uwm.edu/education/academics/ci-request-transcript-evaluation/)
Step Three

Determine your status for your first semester. As an applicant to the Post Baccalaureate Teaching Certification program you have two choices:

Choice A: Teaching Certification Only
With this option, you complete the course work necessary to obtain your teaching certification only. If you are pursuing this option, you need to apply online for admission to UWM as a post baccalaureate student. The online application is required even if you have applied or attended UWM previously as an undergraduate, graduate, or University Special Student. Your application will be considered incomplete if you do not apply online.

Instructions for applying online:

Step 1 – Go to https://apply.wisconsin.edu, apply to UW-Milwaukee and fill out the necessary information.

Step 2 – When you arrive at the “Post-Secondary Education:" question, select “Undergraduate Degree”.

Step 3 – The next question will ask for “Reason for Applying”. Select “Major, minor, or certification at the undergraduate level”.

**Post-Secondary Education:**

- No college courses
- Some college courses [taken or will take before enrollment - do not include Advanced Placement (AP) Program courses]
- Undergraduate degree (4-year bachelor) (have or will have before enrollment)
- Graduate degree (Master, Doctoral, Specialist, Professional)

**Reason for Applying:**

- Additional undergraduate degree
- Major, minor, or certification at the undergraduate level
- UW Flexible Option - undergraduate degree or certificate
- Undergraduate courses as visitor/guest student
- Graduate degree (Master, Doctoral)
- Graduate Non-Degree (graduate courses taken as visitor, guest, certificate, certification or personal/professional enrichment)
Step 4 – The next question will ask “Applying as”. Here you will select “Post-Baccalaureate Teacher Certification”.

Step 5 – The next question will ask you to “select your intended major or field of study”. Scroll down and select “Education [SOE] * Major” under “Education-Related Studies”.

Step 6 – Next you will need to select a “Program [School/College] * Program Type”. Under “Interdisciplinary Studies” select “Education - Teaching [SOE] * Field of Study”.
Step 7 – Follow the remaining steps of the application.

Please note that there is no application fee for this type of application. Please ignore the payment page and **DO NOT MAKE A PAYMENT**.

Choice B: Teaching Certification and Graduate Degree

With this option, you complete the course work necessary to obtain teaching certification and a graduate degree. If you are interested in this option you should schedule a meeting with Dr. Donna Pasternak. Please contact Dr. Pasternak at dlp2@uwm.edu. Before each semester, you should meet with Dr. Pasternak to decide if you will take your courses as a post baccalaureate student (with undergraduate status and tuition) or a graduate student (with graduate status and tuition). If you plan to pursue a teaching certification in conjunction with a graduate degree, you must also submit an application for admission to UWM’s Graduate School. Visit: [https://graduateschool-apply.uwm.edu/](https://graduateschool-apply.uwm.edu/) for information application process. If you plan to apply to UWM’s Graduate School, you will need two sets of official transcripts: one for the Post Baccalaureate Program and another for the Graduate School.

Step Four

**Review the application checklist (below) and gather all these materials.** Make sure all forms are filled in completely. **DO NOT SUBMIT AN APPLICATION UNLESS ALL ITEMS ARE INCLUDED.** Incomplete applications will not be processed.

Admission Essay

In a separate typed document, discuss what experiences you have had that have influenced your decision to study education - in particular in a teacher certification program housed in a School of Education invested in improving and supporting urban education in the Milwaukee metropolitan area. Please frame your essay in a way that the following issues contextualize your discussion:

- Relevant course work that informs your decision to certify in English.
- Relevant field (life) experiences, in and out of a school setting, that inform your decision to become an educator.
- An appreciation of the broad social issues that affect urban schools and their students.
- Concrete detail and rich language that describe your experience.

Note: There is no specified format for the essay other than to address the points listed above and to present your answer in a professional format (12 point font, double spaced and one-inch margins).

For more program requirements for addition a language certification, visit our Web site: http://uwm.edu/education/academics/second-language/
Note: There is no specified format for the essay other than to address the points listed above and present your answer in a professional format (12 point font, double spaced and one-inch margins).

**Faculty Signature**

Your application must be reviewed and signed by Dr. Tom Scott. Schedule a meeting with Dr. Scott at (414) 229-5751 or tscott2@uwm.edu. Expect to meet for approximately 30 minutes and have with you:

- Your School of Education admission application
- Your admission essay (optional for the meeting)
- Your resume (optional for the meeting)
- Your transcript evaluation (If you need a copy of your transcript evaluation, please contact your academic advisor.)
- Copy of transcripts from all institutions attended

**Official Transcripts**

You should request official transcripts from all institutions of higher education, technical colleges, schools, and programs except UWM. If you attended UWM, you may submit unofficial transcripts.

Do not send transcripts directly to UWM. Transcripts should be sent directly to you but should not be opened upon receipt. Include the unopened envelopes with the other application materials.

Unfortunately, we cannot accept photocopies of transcripts or transcripts not in a sealed envelope. If you attended UWM and transfer work from another institution is reflected on your UWM transcript, you only need to submit a UWM transcript.

**Assessment Requirements**

Throughout the program there are several assessments required by the Department of Public Instruction. These requirements are designed to assess your readiness for teaching.

*Pre-Professional Skills Requirement*

All applicants are required to take and pass a pre-professional skills test prior to applying for admission to the program. You can fulfill this requirement with one of the following tests: PRAXIS I, CORE, ACT, SAT or GRE. During registration for your test, you should identify UWM to receive your scores. However, you should also include a copy with your application materials. See page 10 of this packet for additional information.

*Praxis Subject Assessment Test*

The *Praxis Subject Assessment test* measures subject-specific content knowledge, as well as general and subject-specific teaching skills, that you need for beginning teaching. Students are required to take
and pass the *Praxis Subject Assessment* prior to applying for a student teaching placement. Details about when to take the *Praxis Subject Assessment* will be provided once you are admitted to the program.

**Teacher Performance Assessment (edTPA)**
The *edTPA* is a review of your teaching materials at the culmination of your program. Materials that document and demonstrate your ability to effectively teach are submitted to an independent reviewer. Students are required to complete the edTPA in order to be licensed as an English educator.

**Resume**
Your resume should not exceed two pages and should include educational background, work experience, special talents/skills, and other relevant experience with children. Information about resume writing can be found at: [http://uwm.edu/careerplan/resumes-interviews-2/resumes/](http://uwm.edu/careerplan/resumes-interviews-2/resumes/)

**Student Teaching**
You will be required to complete student teaching during the last semester of your program. Student teaching placements are not automatic. Students must apply for student teaching, be approved, and register for a student teaching course, in order to student teach. Information about application deadlines and application materials can be found at:

[http://uwm.edu/education/academics/clinical-experiences/](http://uwm.edu/education/academics/clinical-experiences/)

(Follow the link to obtain the Student Teaching Application form)

It is important that you review this information to determine when you should apply for student teaching. If you have any questions about the timing of your student teaching, contact the academic advisor for your program.
